

USSN. 10/070,749

Examiner: SCOTT, JAMES R

Group A.U.: 2832

**Remarks**

It is observed that the Examiner considered claims 15-27 as being allowable while rejected claim 28 due to the presence of the expression "and/or".

Accordingly, the applicant has amended claim 28 and has added two new dependent claims 29 and 30 to cover all the alternatives expressed by the statement "and/or" previously present in dependent claim 28.

It will be noted that a sincere effort has been made to positively respond to all of the points raised by the Examiner.

While it is believed that the amended claims properly define the present invention, applicant would be open to any suggestion the Examiner may have concerning different claim phraseology which, in the Examiner's opinion, more accurately defines the present invention.

Respectfully submitted,
